Notice re: Coronavirus (COVID-19)

The Health Professions Review Board is continuing to deliver core services to the public, despite disruptions related to COVID-19. That said, the increasing risk of infection has the potential to impact staff availability, and to disrupt services the Review Board relies on.

For the safety of our staff, our office will be closed to the public until further notice, effective Monday, November 23, 2020. Mail service will not be affected. However, those who wish to apply for a review before the Review Board are encouraged to do so electronically, to hprbinfo@gov.bc.ca.

All those with ongoing appeals are also encouraged to communicate with other parties and the Review Board electronically. The Review Board will keep email addresses confidential upon request.

Please continue to monitor this website. In the event of service disruptions, an updated notice will be posted.

David Hobbs, Chair
Health Professions Review Board
